[Renee Piante](#) Author of *Love Mechanics* and President of [RapidDating.com](#) and [RapidNetworking.com](#) *“I’m here to inspire hearts to stay open, and dispel the loneliness of the single soul. I have dedicated my life to connecting people with various tools, products and experts to help them reach their goals.* Renee draws from over 16 years of research, study and experience in the areas of communications, marketing, broadcasting, psychology, television production, theatrical study, commercial training, alternative health therapies, holistic medicine, energy research, world religions, the healing arts (Reiki, Pranic Healing), coaching and image consulting. Piante is also a certified practitioner in NLP (Neuro-Linguistic Programming), Time Line Therapy and a Clinical Hypnotherapist (CHT). She tailors her private sessions with combinations of these modalities and intuition.

Renee has been creating and producing events, seminars and programs that open people’s hearts and build community. She has had years of experience in the beauty and skin care industries as a cosmetologist and makeover expert and consultant. Renee is amazing teacher, motivator and speaker and has been spreading her wisdom for over 16 years in the singles world. Renee’s education was in communications and marketing at various universities but mostly by working in the field and doing extensive research is always studying the latest in internet marketing and multimedia Renee has been is a graduate of The American Seminars Leaders Association and has been professionally media trained by Joel Roberts and has studied all forms of TV production and produced television for 15 years.

Renee’s mission is to educate and inspire others to “Celebrate Life” (especially singles) and be happy alone first! She provides innovative strategies and practical tools for both men and women to live extraordinary and fulfilling lives by preparing them for love from the inside out.

Renee believes “The media and society put this pressure on singles, that we are losers if we haven't married or had kids by a certain age! Millions of baby boomers are back out in the dating game and many of them are searching...lonely...and confused on the new rules of dating... The pressure and the negativity creates imbalance and depression...I'm here to remove that stigma ...and create alternatives and make it OK for people to live happily single with support and powerful tools to win in the game of love. .

Renee will provide people with winning strategies to follow and a support system to back it up in cities nationwide with her products, services and Rapid Dating and Rapid Social Networking events. She has successfully spread the message through her love advice columns, *online* community-building, local events, interactive motivation and education and her mission is to spread her work worldwide.

“I am the master connector to spread this message and to bring together the best of the best in all areas of love, dating, communications, health, wellness and offer the world of the tune-up tools they need.” Renee is the ultimate connector for love...the guide for the Single Soul....she will assist and motivate you to ***“Re~Invent your Love & Social Life!”*** Check out her media room at: See Renee on TV in the [media room](#) and listen to her direct and inspiring Love advice her [Love Mechanics online radio show](#) (start with show #1 at the bottom)

## TESTIMONIALS

Renee was one of our most popular guests for dating challenges on "The Other Half." We featured her as a guest expert 13 times over the last 2 seasons. We always knew we could count on Renee to help produce and deliver a quality entertaining segment whenever we called on her. She is talented, organized, and self sufficient - which makes her a producer's dream.

**Ed Leon, Executive Producer of "The Other Half"**

"Renee is a ball of energy and direction! She's a leader, a trainer and role model for many. She's inspirational, an excellent speaker and is an innovator with programming like her Love Reporter broadcasting. She handles special events with aplomb and is one of the most gracious people you'll ever meet. It's been my pleasure to work with her on my book *The Vision Board* and her aid and support in broadcasting and video and interviewing has made a real contribution to it's success as a best-seller. I can't wait to work with her again in the future!"

**-Joyce Schwarz author of "The Vision Board Book"**

Renee is a limitless bundle of energy, enthusiasm and hard work. She produced many TV segments for our national show and interviewed hundreds of single men around the country. She brought out the best in every man she interviewed and I'm sure her book will bring out the very best in any multimedia project she works on! She is a winner!

**David Loring, Producer of Men Across America.**

" Renee has been teaching for The Learning Annex for 12 years, was our featured "Keynote Speaker" at our annual Sex, Dating & Relationship symposium and is one of our most popular seminar leaders for singles. I know from all the rave reviews we receive that you will only benefit from reading Renee's words of wisdom or using her for any TV or radio show. Much success Renee, you are the BEST!"

**- Gigi, Executive Director Learning Annex, La., CA.**

For the past decade I have watched Renee research men, women, relationship issues and energy. She was a hit on "CNN" on Valentines Day and Headline News with her heartfelt love advice. Sharing her passion on topics of love and energy has been her calling card. Renee's *Love Mechanics* tools, truly gives men the remote control on what women are thinking and the actions to take to tune-up! She is a pleasure to work with. Her style is entertaining, and very informative!

**Rhonda Grayson, CNN NEWS Producer & Executive Producer of "Health Styles"**

Renee's work is a "must have" resource for all men wanting to build successful relationships with women. Our Readers love her work. **Curt Smith, AskMen.com**

Renee is able to offer very insightful "power tools" and the reader is given the insight to use them to change their relationships and achieve success in love.

**Mark Victor Hansen, Co creator of the # 1 best seller "Chicken Soup for the Soul"**

Finally the power tools singles really need! Love Mechanics offers the missing link between men and women. Renee is the best! **Eve Hogan, author of "Intellectual Foreplay"**

Renee's seminars are a joy to attend. She has the ability to connect with the audience and make them see the potential within themselves. Her energy and infectious charm captivate the room from start to finish. Now her winning formulas are in her new book if you don't have a chance to see Renee in person buy this now!

**Sylvia Newton-Robbins, Former Vice-President of American Seminar Leaders Association**

Renee is truly gifted. Her insight into the human condition comes only from a person with true heart.

**Maralyn Facey, Divorce Magazine/Guide for the Single Parent**
